

Our Wavering Hearts (Wavering Hearts Series) (Volume 3)

Krista Owens life is right on course. She has the perfect man, the perfect job, and the perfect life. Now all she needs is the perfect fairy tale ending. Her sole focus is set on marrying the man of her dreams, her one true love and soul mate, Toby Wilder. She has her future all mapped out, including a happy home complete with children. Sadly, Krista learns that life doesnt always go according to plan. With one unexpected phone call, Kristas world comes crumbling down. The months following would be the darkest of her entire existence, but as Krista faces the challenges of her fate, she finally realizes she doesnt have to face the hardships of her life alone. New friendships will be formed with people determined to help Krista find a way out of the darkness. Justin, a hard-nosed police detective, Trish, who becomes her rock, and Deuce, Justins brother, who feels an inexplicable connection to Krista will all become an important part of her future. With the unwavering support of the new people in her life as well as a few well-timed visits from her lost love Toby, who seems determined to bridge the eternal gap, Krista slowly begins a new journey... and learns that with time, she too, may get the chance to have her fairy tale ending.
