

Crime Buffs Guide to Outlaw New Mexico (Crime Buffs Guides Book 5)

OUTLAW NEW MEXICO continues the popular series that critics, true-crime fans, historians and travelers have hailed as the ultimate guilty pleasure, thorough and unflinching, and the best damn crime travel series ever published! This rollicking romp across the historic New Mexico crimescape promises all the cant-look-away allure of its predecessors ... and a few surprises! This is a trip to the Land of Enchantments darker side, where seemingly idyllic places reveal secrets: Billy the Kids childhood home, the bridge where two spies started the nuclear arms race, the site of one of Americas deadliest (and grisliest) prison riots, the former hippie commune ended by murder, a lonely desert hilltop where a UFO reportedly crashed and made a con-man rich, and many more. With photographs, maps, directions, and precise GPS coordinates, this collection of crime tales is both a travel guide and an entertaining and enlightening read.
