

With Wings (The Dark Angels Book 1)

The lights go down and stage lights up. The Dark Angels have arrived. With his come-hither voice and body made for sin, lead singer Angel Luv draws lovers like a magnet. And when he caresses and taunts shy guitarist Darius Stone on stage, wellits an act, right? But every touch lights a fire, and every flirtatious glance chips away at Dares certainty that hes straight. No one else has so captured his imagination. Temptation beckons. Its hard not to notice the want in Dares eyes, the way he stares when he thinks Angels not watching. One wrong move might scare him away, but a work trip to exotic Bali might be the perfect place to let Dare explore his sexuality, with none to be the wiser. But their friends with benefits pact has an expiration date, that just might sour their friendship.
