

Bossy!: 8 Steps to Take you From Paycheck to Prosperity™ with a Home-Based Business

This book will EMPOWER you to be your own boss! Have you ever wanted to start your own business but gave up the idea long ago thinking that it could never be a reality? Do you find yourself still desiring to be your own boss but quickly begin to give yourself excuse after excuse why not to start? Excuses such as, I dont have the money I need to start a business, I make really good money at my job and cant afford to quit or I wouldnt know the first thing about where to start! Maybe you even have a hobby that you would love to do full time or maybe you even have dabbled a bit in selling some things youve made. You may have friends who have their own businesses and you wish you could do the same or should have started years ago! Gerri Chambers was in the work force for over 25 years and always knew she wanted to start her own business.

She bought into the lies that she could never be successful starting her own business and replacing her income. However, after losing her job and being faced with either going out to get another job or putting it all on the line to start her own business, she chose to be a business owner and is now President and Founder of Paycheck to Prosperity. Bossy! Is about rekindling your dreams, finding your focus and going for it! Starting your own business is easier now than it has ever been with all of the resources available to anyone with a computer! With a little guidance and mentoring, you can be your own boss too! Gerri realizes that with Bossy! as your starting point, you can be on your way to claiming your new life as your own boss and funding your dreams! Most people dont know that the easiest way to find out what business you should start is to look to your past experiences and your present passions. Many are caught in a negative thought spiral downward and are still hanging with the same people who are going nowhere fast. Here is a preview of

whats waiting for you: Beginning to rekindle your big childhood dreams and get empowered How to use your past experiences and work history to find what youre good at How to use the information from your past experiences and present passions to determine your business Discover who has been influencing you in your life and how that could make or break your success Learn how important journaling can be in your road to discovering your authority so people will buy from you Walk step by step through the general process of determining your new business And much more! You CAN be your own boss with a little direction, empowerment and encouragement. Using the content in this book can help you get started! Download your copy and discover how TODAY!
