

The Book of Psalms: Volume 4 (The Bible in Outline Form)

Sometimes understanding the word of the Bible can be challenging. Reading large, time-consuming commentaries just isn't practical for some. The Roy Gingrich Bible Commentaries have been the most economical way to understand the word of God for hundreds of thousands of readers, with over a million sold to date. Pastors will benefit greatly from this book in their sermon preparation, as well as students of the Bible. Sunday-school teachers will find invaluable help, and every Christian who wants to go deeper into the marvelous grace of God will be enriched with these commentaries. - Dr. Adrian Rogers, Former Southern Baptist Convention President
Three supremely important qualities characterize a good commentary, exegetical integrity, doctrinal consistency, and personal application. This commentary by Dr. Roy Gingrich possesses these three qualities. - James B. Crichton, President Mid-South Bible College
