

## Elishas Miracle: A Story of a Little Boy Amazingly Healed

Elishas Miracle is the true story of an eight-year-old boy of the San Francisco Bay Area who had seizures take away his abilities to play, read, write, and speak. After seizures stole thirty IQ points and he could not answer basic questions anymore, doctors told his family to prepare for the worst. Many people came and prayed for the best for Elisha, and his uncontrolled seizures stopped. He survives his brain injury and lives his road to recovery and attends a normal public high school. The family lives knowing God intervened and healed Elisha from his seizures and continues to help him recover from the impossible.
