

What A Medium Wont Say about Suicide By One Who Will

This is a true story of a brave mother who decided to consult a medium after her son committed suicide. She was searching for understanding and how to heal after this tragedy. Her main worry was if he was burning in hell and how was she ever going to be able to move forward in her life. This story has not only helped her heal, but she has help many across the nation heal after a loved one committed suicide due to their drug abuse.
