

Runaway Heart

Lindsay Davenport has it all: a handsome, wealthy husband, a life of seeming ease, and everything money could buy. But what do you buy when you live in hell? After seven years of marriage, seven years of abuse and violence, she changes her name and flees to a remote town in Alaska, determined to escape her husband's cruelty and start her life over. Life, however, has other plans. Ross Devlin loves his bar in Coopers Ridge, Alaska. He loves being a bachelor, being a pilot, and playing hockey. Then a quiet woman with a shady past walks into his life. As time passes he realizes he doesn't love anything as much as he loves her, and his bar, his plane, and hockey are not as important as protecting her from an ex-husband who plans to make the phrase Till death us do part a reality.
