

Those were the days: When Salinas and I were young

In *Those Were the Days*, Jim Jeffery looks back fondly over ninety years at the Salinas and Monterey County of his youth. My father, Jim Jeffery, has been a teller of stories for as long as I can remember. Stories of his life as a boy in Salinas just after the turn of the Century. Stories of the great 1906 earthquake, of bicycle rides and wrestling matches, of logging camps and Alaskan gold mines, of family history and family fantasy. Stories that ramble from subject to subject, where Truth winds around fantasy in a seamless web. --From the Introduction
