

KJV Concord Reference Edition KJ563:X black French Morocco leather

The Concord Reference Edition presents the King James Version of the Bible in an exceptionally clear and readable typeface. This Bible offers a wealth of reference material--a glossary, concordance, dictionary, and maps. Bold-figure cross-references link passages of the text without cluttering the page. This style features black-letter text throughout. In addition, a presentation page and family record, India paper, gilt edges, ribbon markers, and a real leather binding make this a very attractive Bible.
