

Northern Adventure

A B.R.A.G. Medallion Honoree. Characteristics of a Medallion book are: a creative and original plot, a coherent and distinctive writing style, believable and dynamic characters, realistic dialogue, and flawless copy editing. Middle-grade readers will enjoy the adventures of 8th grade boys Rich and Mike as they explore Lake Mentakain northern Wisconsin with Rich's dog Prince. Summer of 1950, Mike left his Chicago home to spend one year with his cousin Rich on his farm. They courageously explore Whale Island, are chased by a bear, dynamite a runway, uncover treasure, fight a fire, and many more adventures unfold. Unexpected events occur, creating a bond of caring among family and friends, proving that love and friendship are the most important things in life.
