

Penelope Henry: Country Jamboree

Country Jamboree will take you on a weekend of fun for the whole family. Join Penelope and her family and friends down on the farm for a rodeo with their country cousins where they'll watch the horse racing, the chuck wagons, and trick riding! Encounter mystery and discovery with surprises around every corner. Although facing danger and uncertainty, Penelope and friends are protected by Dinty Finnigan, the Irish leprechaun who protects small children and brings fun and magic everywhere he goes. Penelope and her friends will guide you on adventures great and small as they explore the farm and all the fun to be had! About the Author: Kathleen has been writing since she was a little girl. Growing up in Ireland, she was regaled with the legends woven into the histories of the castles, the Giants Causeway, the leprechauns, and little people. When her children came along, she wrote lullabies, poems and stories to enchant and entertain them. It was before, television, computers or the electronic devices available today. She hopes that Penelope Henry will entertain beginning readers and adults alike.
