

Under a Wild Sky

Kalial, golden princess of a legendary forest, speaks with wild animals-and banishes all intruders. So when Ronin, a battered warrior, seeks refuge from his enemy in her woods, Kalial's forest men attack him. But as soon as he has a chance, Ronin takes their boy-leader hostage, little realizing that this small, fierce boy is actually a beautiful woman whose unbridled passion for life and love matches his own. Together, they will defy their enemies, soar to pinnacles of exquisite pleasure...and discover a love that will bind their souls forever.
