

Practicing Gods Presence: A Thirty-Day Adventure

Walking in Gods presence was made real to Michell and Diane by Brother Lawrence. Brother Lawrences experience is described in the classic book *The Practice of the Presence of God: the Best Rule of a Holy Life*. If you follow the process of this book, it will transform your relationship with God. You will learn how to abide in Him through being aware of His presence in your everyday tasks. It will revolutionize your way of living. Your communion and intimacy with God will increase past what you thought possible. How can you be sure this is true? Many others have led the way with their lives transformed. This is a lost art awaiting your personal discovery. Applying yourself for just thirty days will instill these principles into your heart, never to be lost. Michell and Diane have walked in Gods presence for over thirty-five years. They wrote this book to present a helpful tool to use as a short devotional. They have taken one hundred and fifty tips from Brother Lawrence. They present five of them to you each day to integrate into your life. You are encouraged to do this for thirty days while you go about your daily tasks, just as Brother Lawrence prayed while going about his daily tasks.
