

Things Unseen: Living with Eternity in Your Heart

Blending pastoral warmth, philosophical depth, storytelling skill, and literary craft, Mark Buchanan encourages Christians to make heaven, literally, our fixation -- filling our vision, gripping our heart, and anchoring our hope. Only then, says Buchanan, can we become truly fearless on this earth, free from the fear of losing our life, property, status, title, or comfort; free from the threat of tyrants, the power of armies, and the day of trouble. Buchanan reawakens the instinctive yearning for things above, showing that only the heavenly minded are of much earthly good. Clear, stylish typeset, with user-friendly links to referenced Scripture.
