

Sweet Wind, Wild Wind

Lara Chandler has come home to the Rocking B Ranch - though not for Carson Blackridge. Four years ago he cruelly rejected her, and her love turned to hate. But the chance to research the history of the ranch on a business footing is one she just cant pass up. Carson is waiting, though, and he is determined to show her that hes long regretted the way he treated her. Can she put her faith in him, or would she be making a terrible mistake?
